

One of the key aims of **Hardings** is to help ensure that all who use our estate agency reflect on their experience and are happy they trusted us with what for many, is their biggest financial commitment.

Securing the right financial route is vital and with all the options available, the right advice is invaluable. Our aim when deciding who to work alongside and recommend was based not on who would offer the most commission, but rather who could independently offer as much of the mortgage market as possible, not charge a fee and most importantly - always work with the client in mind.

The Aaron Partnership of Salisbury are committed to guiding their clients through what many find can be a long and complicated process, considering their needs for the present and how it will affect the future.

- **Fee free mortgage advice**
- **Exclusive mortgage products**
- **Compare your bank or building society to thousands of other products**

YOUR HOME MAY BE REPOSSESSED IF YOU DO NOT KEEP UP REPAYMENTS ON YOUR MORTGAGE.
